OBJECTIVE

Third-year information technology student at Perpetual Help College of Pangasinan, I am enthusiastically pursuing a web development internship. My goal is to not only enhance but also effectively apply my existing web development skills, aiming to refine them further. With a strong commitment to gaining substantial experience, I am determined to contribute actively to real-world projects and elevate my expertise in this evolving field.

SKILLS

- | | | |
|-------------------------------|--|------------------------------|
| • Technical Skills | Microsoft Office, Basics in Java, VB.Net, C++, HTML, CSS, JS, FIGMA, MYSQL, MARIADB, and GIT | Proficiency: Beginner |
| • Communication Skills | Written and Oral Communication: English, Tagalog, and Cebuano | Competency: Advanced |

EDUCATION

Perpetual Help College of Pangasinan | BS Information Technology Malasiqui Pangasinan | Aug,2021 -Present

EXPERIENCE

While I do not have any formal work experience yet, I have earned certificates in web design, Java, and web development from freeCodeCamp and HackerRank. I am eager and willing to apply my skills and knowledge in a professional setting and continue to develop my abilities.
